### **Sharing Christ in the midst of turmoil in Haiti**

It's always a delight to share with our supporters and friends news pertaining to the Lord's work in Haiti. I want to express my gratitude for your fellowship in the gospel. While we are writing this report this country is under a state of siege. Since the first of September, Haiti has experienced extremely difficult conditions due to ongoing political protests, soaring inflation of 20%, and dwindling fuel and food supplies. Protests and roadblocks are rampant across the country, resulting in the following:

Schools are not meeting. Children are not receiving a school lunch like they were.

People are not working. Many individuals cannot get to work, which means they are without regular income to purchase food for their families.

No one can go anywhere. Even for those who are able to work, getting to the store is nearly impossible. However, the church is still meeting, and the gospel is still being spread.

#### **Highlights**

We have had 56 baptisms into Christ, and 4 gospel meetings at St Michel, Delmas , Titanyan and Thomazeau. I have attended to 12 weddings and one funeral.

#### **Media Ministry**

Your servant is a radio and TV host. We operate our TV and Radio programs-- Radio Megastar 97.3 Sunday 7-8 AM 6-7 PM TV Megastar (not in service now) Canal 11 Sunday 1-2 PM

Our programs are on Facebook and this too generates lots of interest and contacts

### **OUR PREACHING SCHOOL**

We have 49 students in this our second year of our four-year program. They continue to receive teaching in New and Old Testament books, Greek and Hebrew and communication studies. We are very proud of these students. Our first four-year graduates are performing with zeal in churches throughout.

Our

**Anniversary at  
Cazeau**

heart rejoices with

the Cazeau Church of Christ. Our supporters and friends have concentrated much effort, time and money to develop this church and school campus with an orphanage of 72 orphans. What a blessing! November 17 will mark the 25th anniversary of this church and orphanage. We thank God for the impact that this church, school, and orphanage is making throughout Haiti.

### **Delmas Church capital project.**

We want to thank you from the bottom of hearts for supporting us in helping us acquire the land next to the Delmas church. Lawyers, notaries, and others are working to get the final transfer of the deed over to the Delmas church. So much can now be done with this extra property. Alleluia!

### **Special Sunday coming**

A number of churches of Christ will meet December 17, 2019, to address the needs of one local church. This also will be a day of great fellowship.

### **Special Capital projects**

#### **Santiago, Dominican Republic, Church Project For a Building**

Our ministry has been very fruitful in the DR. Our missionary **Charlitte Berlot** is doing an outstanding evangelistic work establishing the church in over 13 cities. The Los Caballeros church in Santiago is outgrowing their place of worship. The daily Bible School which meets in the building is becoming so large it also needs a larger place to meet. They are crying out for help.

I want to conclude with a big thank you for your support and prayers. Without you, there is no way we could achieve all these good works. We are praying that God will bless you with health, strength, and success in your endeavors.
