WORK REPORT of Brother Emmanuel MYTIL

It is truly a privilege for me to present in the form of a summary, some of the work I have already accomplished with joy in the kingdom of God, in the community I am evolving as a Christian leader. I let the Holy Spirit animate me, which allows my projects, my training workshops, to always bear fruit even in difficult times.

Those images was taken when I was teaching at Delmas Christian School, I was explaining to the students the importance of serving God and how a student can succeed in they studies if they obeys God's teachings.

This image is the continuation of figure 1 where I was sharing the importance of obedience with the students of Delmas Chrsitian School

In this session (figure 3 & figure 4) I was making an approach where a person who follows Christ can always bear fruit (be successful) in any circumstance. But what left my mark on the occasion was the questions they were asking me, which made me see how interested they were in what I was sharing with them.

As a former student of Delmas Christian School, I love to share the teachings of the word of the Lord with the students and I believe that this word can transform their lives and bring many changes in their communities. This image was taken while I was teaching at Delmas Christian College.

As an active member of the Groupe d'homme at the Church of Christ Delmas 28, every Sunday it is with joy that I serve as one of the celebrants of Holy Communion.

But, know that in the last days there will be difficult times. Because men will be lovers of themselves, lovers of money, vain, proud, mischievous, rebellious to fathers and mothers, ungrateful, impious, without natural affection, implacable, slanderers, intemperate, cruel, enemies of good people, Traitors, carried away, puffed up with pride, loving pleasure rather than God, having the appearance of piety, but denying strength. Also distance yourself from these people.

At the time the Thomazeau community gathered to celebrate the Haitian flag, I also took the opportunity to remind the Thomazeau community that it is a good Christian who makes a good citizen, so since you are a good Christian you should be a good citizen.

Me and Fr. Nael are the hosts of the "Heure de la Delivrance show". Broadcast every Sunday morning before the worship service on Radio MegaStar, 97.3 FM where people from all over the world have the opportunity to learn about the Church of Christ, the Church of the New Testament and our Teachings through this broadcast.

One of the satisfaction I have is when I see the young people in my community growing up and founding Families. Here I had the privilege of celebrating the marriage of two young people.

At Delmas Christian School were not only share education but we also help our students to envolving, become a leader, every Friday morning we're meet at the Church space, made devotion. Students and professors and some school administration members, togheter we sings the glory of God, lift up the name of Jesus for who he is and what he done for us, then preach a encouraging message, strength the audience. It's also allow us, the devotion, identified at the same time some students whom have talents on singing, praying, preaching.
